Sunday School Convention.

The Bourbon County Sunday School Annual Convention was held Thursday, at Millersburg, in the Methodist church. Quite a good deal of interest was manifested by all present. Delegates from nearly all of the Sunday Schools of the County were present.

Rev. J. L. Clark, the president, called the convention to order at ten o'clock. This was followed by addresses on subjects of interest to Sunday School workers.

We had present with us Bro. T. O. Gebauer, of Henderson, Ky., who is one of the Sunday School field workers of Kentucky, and is a sure worker, too. It was worth anybody's time to have heard his addresses only.

The Sunday School workers who were not present cannot imagine what they missed. There was plenty of good singing, and as to what we had to eat it would be impossible to tell—kept coming and coming until we had eaten so much that we could not tell what we did have.

The hospitality of the Millersburg people will ever be remembered by all who were present.

The following resolutions were adopted: We, the committee on resolutions, would respectfully submit the following:

1. We recommend the organization of teachers' meetings, or Bible study circles; wherever practicable, believing that they will greatly aid in the efficiency and interest of every Sunday School.

2. We urge all the Sunday Schools of the county to come into this county association so that our county may do its own work faithfully, and become a strong ally to the state association.

3. We recommend and urge that all of the ministers of the county preach at least one sermon each year on the Sunday School interests, leaving the time of such sermon to the convenience of the preachers.

4. We hereby recognize with great pleasure the presence of Bro. T. O. Gebauer and return to him our thanks for his very efficient labors on this occasion, and request our secretary to convey this item, your report, to our State Association.

5. We wish to express our heartfelt thanks to the pastor and his official board for the use of this beautiful house of worship for this occasion, the citizens of Millersburg and vicinity for the very bountiful manner in which they have entertained this convention; to the newspapers of the county for their notices of the convention, and the singers for their inspiring music.

The following officers were elected for the ensuing year:

Rev. F. P. Sharrard, President.
Dr. E. J. Jones, Vice President.
Treasurer, L. Stevens, Secretary and Correspondent.

The above officers were given the power to select their sub-officers.

The convention then adjourned to meet again on the third Thursday in July at Hopewell Presbyterian Church, which is situated on the Lexington and Paris interurban road.

CAN'T BE SUPPRESSED.—Mrs. Carrie A. Nation, the Kansas saloon smasher, addressed a large audience at Woodland Park, Lexington, Sunday afternoon on subject of temperance. Mrs. Nation characterized President Roosevelt as the "beer-guzzling Dutchman," and said Judge Parker's candidacy for the Presidency originated around a twenty-five-cent poker table, and severely scored Mayor Combs.

ATTORNEYS TO MEET.—The Kentucky County Attorney's Association will hold its fourth annual meeting at Mammoth Cave July 28 and 29. This association was organized in the summer of 1901, at Grayson Springs, met in 1902 at Estill Springs, and in 1903 at Dawson Springs. A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Ballamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Oberdorfer, the druggist. Price 50 cents.
